

DELIVERING THE FUTURE

TCF SOURCING SOLUTIONS – the TCF Way
- a highly experienced solution to your global garment sourcing needs!

TCF SOURCING SOLUTIONS can source garments on your behalf, from its longstanding network of suppliers in China, Fiji, Vietnam, Bangladesh and India.

- Enjoy reliable, prompt service with good quality on time delivery of garments at competitive prices.
- Improve your cash-flow by purchasing garments on a Free Into Store (FIS) basis, subject to credit approval OR;
- Choose to act as the direct importer yourself by purchasing on a Free On Board (FOB) basis to allow for consolidation of cargo for shipping purposes.
- Ensure the quality of your garments with our guaranteed Quality Assurance and Quality Control processes.
- Enjoy being able to buy in reasonable minimum order quantities, due to our tacit understanding of the Australian market and long standing relationships with our factories.
- Achieve those unique special effects your designs deserve through our understanding of contemporary and vintage washes and dye processes, and our ability to source organic yarns, special accessories and trims.
- Increase your choice of seasonal fabrications through our extensive network of alternative textile suppliers.
- Benefit from changes in international trade agreements as we apply our vast experience in tracking Government legislation.
- Minimise the risk of choosing the wrong source as we closely monitor the production capacity in all of our supplier countries to assist in correct factory selection.
- Achieve your expectations of continuous improvement in garment sourcing with our experienced team who have the ability and knowledge to adapt to the dynamic global environment.
