

CASH FLOW FINANCE

TCF Services now includes Cash Flow Finance in its range of innovative finance solutions. Whether you are an emerging or established business we can provide a finance solution tailored to meet your needs.

TCF Services are partnering with Wealthcheck Finance to consolidate the bargaining power of TCF's client base and offer a range of financial products at great rates. A Wealthcheck advisor* is available at any time to help TCF's clients find the product that best suits them.

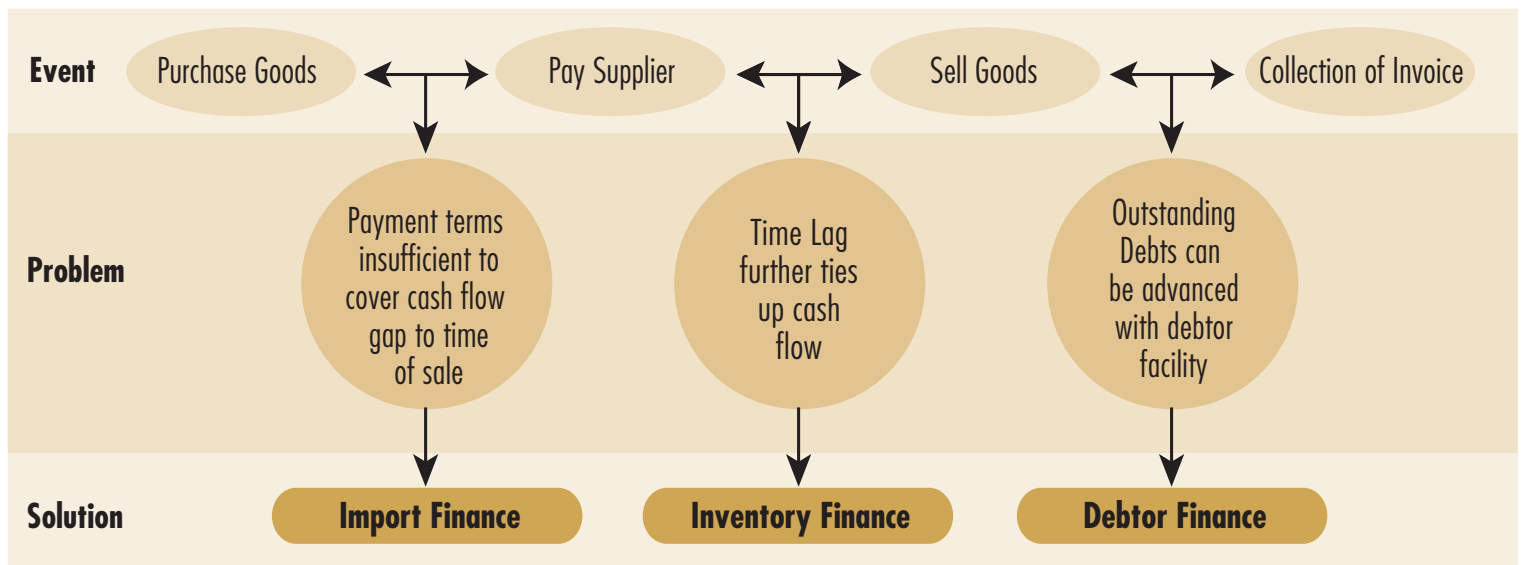

Key Features

- Turn your debtors into cash - receive up to 90% of your Invoices within 24 hours.
- **NO property required.**
- Invoice management solutions which minimise the risk of bad debts.
- Available for importers, exporters and new businesses.

Benefits

- Negotiate discounts with suppliers by paying immediately.
- A credit facility that grows in line with your sales and working capital needs.
- Ideal for business acquisitions, expanding into new markets and developing new products.

Why use Cash Flow Finance? The answer is Timing!
